#### rights to a German mining syndicate. Discussed Gold "Prospect."

Much more romantic is the history of the enterprise of the Northern Exploration Company-the owners, of Bell sound. It was formed to take over a small syndicate which had its beginnings in the remote village of Tollenshunt D'Arcy, in Essex. Here lived the Rev. M. Gardner, the rector; Dr. Sal er, and Mr. Mansfield, a retired traveler, mining engineer and Klondyke goldsceker. Mr. Mansfield had heard of sold in Spitzbergen, and he and the clergyman and the doctor talked it over. Not long afterward the rector set out for Spitzbergen, and brought back to the Essex village specimens of quartz, rock

#### and "pay" gravel. Form a Company.

The three friends met to inspect the

specimens. Mr. Mansfield declared that there was gold among them, and his opinion was later confirmed when the specimens were tested in London. The party formed a syndicate and went to Spitzbergen and staked out their claim. They deposited plans of their claim with the British foreign office and later the Northern Exploration Company was formed, with a capital of \$175,000, many influential persons being connected with
